- **Subscription Policy:** You must have internet access and provide a current, valid, accepted method of payment to register for a KMP membership.
- There are two types of subscription options:
 - **Yearly subscription:** subscription valid for 12 months from the day of payment.
 - **Monthly subscription:** ongoing until cancellation of the subscription
- Memberships will be activated 24-48 hrs. from the day of registration.

 - **Yearly payment:** Subscription valid for 12 months from the day of payment.
 - **Monthly payments:** An ongoing monthly payment until cancellation of the subscription.
- **Monthly Payments:** By registering for the KMP membership monthly payment plan, you authorize the Kabbalah Centre to charge you a monthly membership fee (which will be ongoing until the cancellation of the subscription). The Kabbalah Centre will automatically charge your payment method each month on the calendar

day corresponding to the day you registered for your membership. In the event your membership began on a day not contained in a given month, we may charge your payment method on a day in the applicable month we deem appropriate. For example, if you started your KMP membership on January 31st, your next payment date is likely to be February 28th, and your payment method would be billed on that date.

- **Payment Methods:** Valid payment methods include credit cards and bank transfers. Monthly payments are possible only with a valid credit card. Bank transfers are possible only for the yearly payment option.
- The Kabbalah Centre reserves the right to modify, terminate or otherwise amend our offered membership plans.
- **Cancellation Policy:** You may cancel your KMP membership at any time. Notification of cancellation must be done in writing (by email) and cancellation will be processed within 30 business days. You will continue to have access to the KMP classes through the end of your monthly billing period. THE CENTRE DOES NOT PROVIDE REFUNDS OR CREDITS FOR ANY PARTIAL-MONTH MEMBERSHIP PERIODS OR UNWATCHED video content. Cancellation of the yearly subscription that was paid in advance will be calculated retroactively from the full price of the membership without the discount (amount of months used+ 30 days notice) and the refund will be issued accordingly.
- If a member's credit card is declined 3 times in a row, his/her membership will be automatically cancelled.
- Freezing your membership is available once a year and up to a period of 3 months only.
